

## HUMANITIES AND SOCIAL SCIENCES

### Objectives

To prepare professionals able to help people and corporations prevent or solve legal conflicts, always seeking justice, freedom, and the upholding of the law as irreplaceable pillars of the common good and also disseminating the tradition of the law to facilitate the understanding of the law among non-specialists.

### Areas for Potential Employment

Graduates of this program will be able to work in both public and private sectors as legal advisors in law offices; as judicial officials in federal and local courts, working as actuaries, clerks of the court, judges, magistrates, or chief justices. They will also be able to work in banks, offices of notaries public, federal offices such as the Ministry of Internal Revenue and Public Credit, the State Department, city halls, and other public institutions, and as litigators in the branches of criminal law, civil law, and corporate law, as well as teachers.
