

## Global Learning Semesters

### Course Syllabus

Course: BIOL-151 General Biology Lab I

Department: Health and Life Sciences

Host Institution: University of Nicosia, Nicosia, Cyprus

Course Summary		
Course Code	Course Title	Recommended Credit Hours
BIOL-151	General Biology Lab I	1
Semester Offered	Contact Hours	Prerequisites
Please contact us	42-45	None
Department	Level of Course	Language of Instruction
Health and Life Sciences	Lower Division	English

### Course Description

The goal of this course is to give students a real understanding of Biology/Biochemistry techniques with first hand contact with the materials and methods used in this representative group of laboratory exercises. Students are required to write and present "laboratory reports" on at least two representative laboratory exercises.

### Prerequisites

None

### Readings and Resources

#### Required Textbook

- A "General Biology" Laboratory manual has been prepared and is available to the students from the College's Copy Center.

#### Recommended Reading

- "Practical skills in Biology" Third edition 2003 by Allan Jones, Rob Reed and Jonathan Weyers, Publisher: Benjamin/Cummings; ISBN: 0-130-45141-X.
- "Investigating Biology" First edition 2002 by Judith G. Morgan and M. Eloise B. Carter, Publisher: Benjamin/Cummings; ISBN: 0-8053-7366-7.
