

## Global Learning Semesters

### Course Syllabus

Course: COMM-490 Photojournalism

Department: Communications

Host Institution: University of Nicosia, Nicosia, Cyprus

Course Summary		
Course Code	Course Title	Recommended Credit Hours
COMM-490	Photojournalism	3
Semester Offered	Contact Hours	Prerequisites
Fall, Spring		Senior Standing
Department	Level of Course	Language of Instruction
Communications	Upper Division	English

### Course Description

The project can be regarded as the culmination of the programme of study. Students will be building upon previous practice, theories and concepts, to produce a major media artefact on a subject of their choice. Students must submit a full proposal to be approved by the course lecturer before commencement. Emphasis is placed on professional discipline, competence and procedure. It can involve, among other topic areas, conducting research, writing a comprehensive project proposal, developing production techniques relevant to individual media practice or, developing and understanding of the contextual, economic, institutional, ideological, technical and distribution determinants of media production

### Instructor

Different members of the faculty

### Course Aims and Objectives

The course aims to give students the opportunity to produce an extended body of media practice in either Radio or Television, Journalism or Corporate Communication.

### Teaching Methods

The course consists of work done by the students, under the supervision of a member of faculty.

### Course Teaching Hours

No teaching is involved, but regular meetings are held between supervisor and student.

### Evaluation and Grading

100%: Through the presentation of the project by the student, before a committee, which consists of the supervisor, plus two more faculty, at least, from the Communications, or from other (relevant) Departments.
