Course Description

Course about a particular area of mass communications not covered comprehensively in one of the other advanced courses. The topic for a given semester is announced prior to registration for the semester, having been selected in response to student needs and wishes. Titles of courses vary under this course code and the topic areas are always relevant to the particular course designed and offered, in response to current developments in society and the media scene and student suggestions and requirements. Relevant example is "Computer-Mediated Communication" which follows.
