### Course Description

Students may be assigned to on-the-job training positions with communication organizations. Supervision will be provided by an on-site professional as well as a faculty member. Students are involved in various aspects of mass communication process (e.g. production of media content, management of public relations campaigns etc.). The master's practicum consists of a minimum of 90 hours on site. In the end students are asked to produce a report of 5,000 words describing and accounting for their involvement. A grade of satisfactory or unsatisfactory is assigned.
