

## Global Learning Semesters

### Course Syllabus

Course: DES-495 Final Year Project

Department: Design

Host Institution: University of Nicosia, Nicosia, Cyprus

Course Summary		
Course Code	Course Title	Recommended Credit Hours
DES-495	Final Year Project	3
Semester Offered	Contact Hours	Prerequisites
Fall, Spring	8	DES-405
Department	Level of Course	Language of Instruction
Design	Upper Division	English

### Course Description

- Research methods
- Study and analysis of design works/projects
- Appropriate presentation techniques
- Concept presentation
- Structural detailing

### Instructor

Nadia Charalambous

### Course Aims and Objectives

Students in this course develop a design program for their senior thesis. The semester is devoted entirely to the development of a major design project, a full semester of work on a self-initiated project based on a strong sense of professionalism and design maturity. Students are expected to use their so far obligatory experience of different design/constructional/structural models and their aesthetic properties to choose aptly and with sensibility from the full range of possibilities

### Teaching Methods

The course is delivered through a mixture of lectures, studio presentations and studio tutorials

### Course Teaching Hours

8 hours . The course is delivered during the fall and spring semesters in 14-weeks.

### Evaluation and Grading

Homework: Final Project

## Readings and Resources

### Required Textbook

There is no required textbook for this course

### Recommended Reading

Individual guidance and recommendation of specific reading will be given according to the students' chosen topic. Standard reading list will be provided.
