Course Description

To be a knowledgeable law student, one has to master a range of different legal topics. These topics will be introduced to the student during the course of this semester in a very simple but challenging/interesting way. Questions such as why do we need contracts; what happens to our property when we die; and why are some offences crimes, will be answered.

Prerequisites

LAW-080

Topic Areas

A very broad outline/introduction to the following legal topics and their importance within any legal system:

1. Contract Law
2. Criminal Law
3. Constitutional Law
4. The Law of Torts
5. Property Law
6. The Law of Succession
7. The importance of the European Union
8. International Law in a proper perspective
