### Course Description

This module is designed to involve the student in an intensive high level of training and performance on a principal instrument or voice which leads to a public Senior Recital in May of the 8th semester of studies. These recitals will be open to the public and will be video recorded for the purpose of moderation.

### Prerequisites

MUS-467P

### Topic Areas

Students will receive individual tuition and a programme of study that incorporates all elements of a professional performance of works of different musical periods and styles.

The length of the recital should be the performance of works of forty five to fifty five minutes duration

### Readings and Resources

#### Required Textbooks

The programme of studies is organized by the tutor for the public performance of works of different musical periods and styles.
