SOC-530	Gender in Society	5
Semester Offered	Contact Hours	Prerequisites
Spring	42	
Department	Level of Course	Language of Instruction
Social Sciences	Upper Division	English

Course Description

Gender Identities, Sexuality, Gender Development and Globalisation, the labour market, women and men, Marriage, gender the media and Technology.

Instructor

Dr Myria Vassiliadou

Course Aims and Objectives

The course aims to provide an advanced discussion and examination of gendered lives, and an analysis of the centrality of gender in social life. Among the many questions that scholars in the sociology of gender ask are the following: to what extent are gender divisions produced by science or nature and to what extent are they produced by social, cultural, political, historical and economic factors.

Teaching Methods

Lectures, discussions

Course Teaching Hours

42 hours. The course is delivered during the Spring semester in 14-weeks (3 hours/week).

Evaluation and Grading

Mid Term:
Participation:
Final Exam:
