### Course Description

This is the final required course in the social work program curriculum. It is designed as an opportunity for integration of previous learning and assimilation of this learning in a way which is meaningful for each student. As a means of individualizing the contents of this course, students will assist in the transaction of this syllabus. The course utilizes a discussion format, with inclusion of minimal lecture, student-facilitated groups, and experiential activities.

### Prerequisites

Successful completion of a minimum of 90 credit hours

### Topic Areas

1. Assessment of Professional Growth
2. Social Work Career Choices
3. Career Issues
4. Ethics
5. Current Issues

### Readings and Resources

#### Required Textbook

- Social Work Day to Day: The Experience of Generalist Social Work Practice. Carolyn Cressy Wells. Longman, New York.
- Other supplementary materials include, but are not limited to, the following:
- 1995 Revision of the "NASW Code of Ethics". NASW
- Various journal and newspaper articles will be utilized. Although many of these will be supplied by the professor, it is suggested and encouraged that students bring in those which are interesting and relevant.
