### Course Description

This course provides students with the experience of planning and bringing to fruition a major piece of individual work. The course aims to encourage and reward individual inventiveness and application of effort. Students choose a topic of common interest with a department faculty member. The topic can be proposed either by the student or by the faculty member. The faculty member guides and supervises the student until the completion of the thesis.

### Prerequisites

Senior Standing. Consent of Department.

### Readings and Resources

#### Recommended Reading

In consultation with thesis advisor.

\*The language of the thesis will be Greek for the Greek speaking students.
